

Day1

Time	Auditorium (ESB2/SH1)	Lecture Hall 1 (ESB2/SH2)	Lecture Hall 2 (Hitech)
9.00	Inaugural ceremony		
9.15			
9.30	KEYNOTE		
9.45			
10.00			
10.15	Mahadevan R : llvm-py: Writing Compilers Using Python	Zubin Mithra : 2to3	Kannappan : Introduction to Python and How I learnt it
10.30			
10.45			
11.00	Keerthi Shankar : Multi-core programming with Python	Anand Chitipothu : The Zen of Web	Dhananjay Nene : Functional Programming with Python
11.15			
11.30			
11.45	Manoj S Mahalingam,Shyam Sundar CS : Deployment to large server farms using Fabric and BitTorrent.	Mahendra M : Python Celery	Kausikram Krishnasayee : Beyond Django 101
12.00			
12.15			
12.30	Lunch		
12.45			
13.00			
13.15			
13.30			
13.30	Srirangan : Case study: Opendevice & Python	Jaganadh G, Dr. Carlos Rodriguez Penagos : Biomedical text mining with Python:Some experiments	Ankur Gupta : GUI Programming using PyQt
13.45			
14.00	Vijay Kumar B. : Device Interfacing with Python and ZIO	Mahendra M : Twisted programming	Anil C R : Introduction to Image Processing in Python
14.15			
14.30			
14.45	Asim Mittal : Python + Wii = Intuitive Control	Saurabh Tiwari : Creating and Deploying python web applications on Google App Engine	Biju B, Jaganadh G : Semantic Web Programming in Python an Introduction
15.00			
15.15		Rajan Vaish : OpenStreetMap.org and Python	Gayatri Nittala, Madhubala Vasireddy : Text Parsing in Python
15.30			
15.45	Arun Ravindran : Rapid 3D Game Development in Blender 2.5	Vishnu Murty,Subhan : Web based Power Management tool	
16.00			
16.15	Tea		
16.30	Deepak Mishra : Into 3D with VPython	Abhishek Mishra : Scraping with Python for Fun and Profit	Kushal Das : Deadly Combo -- python & newt
16.45			
17.00		Om Narayan : AULT : Agent based User simulation and Load Testing	Shirish Goyal : Natural Language Processing in Python
17.15			

Python for Science and Engineering workshop by FOSSEE will be conducted in ESB1 Computer Lab, 3rd floor.

Day2

Time	Auditorium (ESB2/SH1)	Lecture Hall 1 (ESB2/SH2)	Lecture Hall 2 (Hitech)
9.00			
9.15			
9.30	David Goodger : Polyform Puzzler and a Pythonic Algorithm X	Noufal Ibrahim : The Road to PyCon India 2010	Kausikram Krishnasayee : Freshen your test cases
9.45			
10.00			
10.15	Dorai Thodla : Tracking Tech Trends with Python	Senthil Kumaran : Internet Protocols in the Python Standard Library	Rahul Verma : Using Python to build a General Purpose Test Framework
10.30			
10.45			
11.00	Anish Mangal, Arjun Sarwal : Sugar: The sweet constructionist learning environment	Pranav Prakash : Building Scalable Apps using Google App Engine	Santhosh Thottingal : Indic Language Processing with SILPA
11.15			
11.30			
11.45	Harsh Vachhani, Amol Gupta : NoSQL Primer	Lakshman Prasad : Paradigms of Web Development and comparison of approaches using django and Google Appengine WebApp framework	Arun B : pydicom - a pure python module for handling DICOM
12.00			
12.15			
12.30	Lunch		
12.45			
13.00			
13.15			
13.30			
13.30	Anish Mangal : Python in the hardware world: MyHDL	Diptanu Choudhury, Jeff Wishnie : Python In The Wild: Enabling children to voice their opinions	Rajeswari S : Quickly
13.45			
14.00	Praseed Pai K.T. : Extending and Embedding Python under Windows (using C/C++)	Anand B Pillai : PDF Accessibility with Python	Sambasiva S : Python object model and introduction to meta programming
14.15			
14.30			
14.45	Nitin Kumar, Swathi Nath : Automation using Python	Ramdas S : Marketing Python:Lessons Learned	Sreejith S, Jaganadh G : Introduction to Machine Learning with Python
15.00			
15.15		Baiju M : BlueBream - The Zope Web Framework	Gayatri Nittala, Madhubala Vasireddy : Test Driven Development
15.30			
15.45	N.Seshadri : Python on Mobile phones	Manish Sinha : Playing with Launchpad API using launchpadlib	
16.00			
16.15	Tea		
16.30	Arulalan.T : Python on Climate Data Analysis Tool	V.Srikrishnan, V. Shunmugachamy : World repo - the repository of the world	Ishan Chattopadhyaya : Geospatial search frameworks for Python
16.45			
17.00		Yuvaraj Pandian T : Building Multimedia Applications using GStreamer and Python	
17.15			
17.30	Indian Python Software Society Annual General Meeting		
17.45
