DAY 1

PyCon India · Hyderabad 2018 · October 5–9

Oct 06 Saturday	Main Hall (Hall 4 Ground floor)	Track 2 (MR 1.01 – MR 1.06 First floor)	Track 3 (Hall 6 Ground floor)
08:00 AM - 09:30 AM	CONFERENCE REGISTRATION		
09:30 AM - 09:45 AM	Opening Address By Manivannan Elangovan, Chair - PyCon India 2018	–	–
09:45 AM - 10:45 AM	Keynote 1 By Armin Ronacher	–	–
10:45 AM - 11:15 AM	Morning Tea Break		
11:20 AM - 11:50 AM	How Helpshift built machine learning platform using Python at large scale By Shyam Shinde	Large scale web crawling using Python By Anand B Pillai and Noufal Ibrahim	Creating 3rd generation Web APIs using Hydra and Hydrus By Akshay Dahiya
11:55 AM - 12:25 PM	Python Project Workflows - Continuous Deployment Friendly By Abhijit Gadgil	Sponsor Talk - DEShaw Pyflyby: Automatic imports for Python By Karl Chen	Language Model (Text Analysis) using Python from scratch By Divya Choudhary
12:30 PM - 01:00 PM	Inside the World's Largest Python Course on Coursera By Charles Severance	Managing flood risk in this modern age - An Introduction to Geospatial Analytics with Python By Arijit Saha and Atul Singh	Speed up your Python modules using Rust By Abhiram Ravikumar
01:00 PM - 02:00 PM	LUNCH		
02:00 PM - 02:30 PM	The Growth of the Python Community in Africa and How Zimbabwe is Building One of the Biggest Artificial Intelligence Labs in the World By Marlene Mhangami	Satellite Image Processing with Python By Shubham Sharma	Metaclasses and decorators: a match made in space By Ishan Srivastava
02:35 PM - 03:05 PM	Community Talk By Kushal Das, PSF Mario Behling, FOSSASIA	Sponsor Talk - Indeed By Subhas KS and Yosef Wehby	Deploying a Python web app onto a Kubernetes Cluster By Tarun Pothulapati
03:10 PM - 03:40 PM	Using NLP to demystify 'Terms and Conditions' and summarize the contents By Aroma Rodrigues	Processing videos effectively - Piping the Parallelism out of Python By R S Nikhil Krishna and Lokesh Kumar T	Handling DASH streams - Generation, Consumption & Clipping By Arnav
03:45 PM - 04:15 PM	Evening Tea Break		
04:15 PM - 05:00 PM	Lightning Talks	–	–
05:00 PM - 06:00 PM	Keynote 2 By Sidu Ponnapa	–	–

DAY 2

PyCon India · Hyderabad 2018 · October 5–9

Oct 07 Sunday	Main Hall (Hall 4 Ground floor)	Track 2 (MR 1.01 – MR 1.06 First floor)	Track 3 (Hall 6 Ground floor)
08:00 AM - 09:30 AM	CONFERENCE REGISTRATION		
09:45 AM - 10:45 AM	Keynote 3 By Travis Oliphant	–	–
10:45 AM - 11:15 AM	Morning Tea Break		
11:20 AM - 11:50 AM	Testing micro-services made easy By Devi A S L	The art of effective visualization of multi-dimensional data - A hands-on approach By Dipanjan Sarkar	Adventures in iterations By Vikrant Patil
11:55 AM - 12:25 PM	Django on day 500 By Amit Singh Sethi	Sponsor Talk - AQR Quant De-Mystified By Navraj Bhardwaj	Learn Guitar Via Python Programming (MIDI Parsing) By Rishabh Shah and Srinivas Kalyani
12:30 PM - 01:00 PM	Cleaning data with Python By Anand S	What you need to know about data classes in Python 3.7 By Sasidhar Donaparthi	Optimizations in Web Development: Journey from a college project to a professional product By Megha Sharma
01:00 PM - 02:00 PM	LUNCH		
02:00 PM - 02:30 PM	Using Jupyter to Empower the Less Technical By Marc Udoff and Sriram Nagarajan	Building better Python microservices using GRPC By Narendran R	Bayesian A/B testing using Python By Vaibhav Pawar
02:35 PM - 03:05 PM	Executing scripts in a few milliseconds with MicroPython By Marwan Al-Sabbagh	Understanding Caching in Python By Chirag Shah	Alexa enabled smart home programming with Python By Sonal Raj
03:10 PM - 03:40 PM	Experience with Python type hints By Kracekumar Ramaraju	Amazing world of animation - powered by python By Sreenivas Alapati	Automating testbed experiments, data collection and visualization with Python By Sunit Kumar Nandi
03:45 PM - 04:15 PM	Evening Tea Break		
04:15 PM - 05:00 PM	Lightning Talks	–	–
05:00 PM - 06:00 PM	Keynote 4 By Carol Willing	–	–
06:00 PM - 06:30 PM	Closing Address By Manivannan Elangovan, Chair - PyCon India 2018	–	–
